

## Copyright

All rights, including copyright and database rights, in BiP's Select and its contents, are owned by or licensed to Forestry Commission or otherwise used by the Forestry Commission as permitted by applicable law.

The supplier may download and use the service and may print out a single hard copy of any part of the content that the supplier is authorised to access on the BiP's Select service for their use or in their capacity as a supplier/prospective supplier to Forestry Commission.

Except as permitted above, the supplier undertakes not to copy, store in any medium (including any other website), distribute, transmit, re-transmit, broadcast, modify, or show in public any part of BiP's Select service without the prior written permission of BiP or in accordance with the Copyright, Designs and Patents Act 1988.
